

# OceanAI Test Document

## Section 1: Introduction

This document is created to test the Multimodal RAG pipeline's ability to handle both text and images.

## Section 2: Summary

The system combines retrieval and generation with visual captioning to answer user questions.

## Section 3: Table

Metric	Value
-----	-----
Accuracy	96.7%
Speed	Fast
Model Used	LLaMA 3

## Section 4: Image

Below is a bar chart comparing two models' accuracy.
